

Conference Reflection

Before

What do you hope to get out of this session/conference?

After the conference/session complete the below:

What?

- What were 3 great ideas presented?
- What idea do you want to take away and try?

So what?

- Why is this idea important to you, your school and/or your students?

Now what?

- How can you put this into practice?
- When will you follow up and reflect on what you did?

Things to remember

(eg. books, websites, resources...)
